

WELCOME TO KINDERGARTEN!

I am excited about the opportunity God has given to teach your child.
To help you prepare for the coming year, please check the supply list below:

- A book bag - one that can hang on a hook and can be easily opened
 - o (not a large size one) A folder should be able to fit in it without bending- **PLEASE DO NOT GET A BOOK BAG WITH ROLLERS.**
- A lunch box - soft insulated ones are recommended - a thermos should fit inside. (Please no molded plastic or metal boxes - these are too big and too difficult for the children.)
- For Rest time- A towel (no larger than a beach towel) or a **SMALL** child's sleeping bag and a **SMALL** pillow.
- Classroom Use - one box of tissues
one box of hand wipes (please no jars)
- For Art - Students need an apron or an old shirt.
- For Recess- Girls need to wear a pair of shorts under their uniform everyday.

PLEASE PUT YOUR CHILD'S NAME ON ALL CLOTHES AND OTHER PERSONAL ITEMS!

Your child will **NOT** need pencils, pencil sharpeners, erasers, pens or notebooks. The school will supply your child with their first box of crayons, glue, and scissors.

There will be an **Open House** before school begins to give your child an opportunity to meet me, see the classroom and get acquainted with the other children. You may bring in your child's supplies to the Open House to help make things easier on the first day of school. (The Open House will be in August- more information to come!)

Sincerely in Christ,
Mrs. Weygand
