

Big Red Summer Camp 2009

Basketball: June 8-12

Soccer: June 15-19

Science/Art: June 22-26

Adventure Zone: June 29-July 3

**We are very excited about another
summer of Big Red Camps!**

It's time again for our Big Red Summer Camps. We are excited about our thirteenth year and are looking forward to another summer of **soccer, basketball, science and art, and adventure!**

Big Red is crucial to the development of student athletes and is the key to success in the future.

Students participating in the science enrichment week will explore scientific aspects of the ocean and bay ecosystems. Art activities will support these scientific discoveries! Field observations will allow campers to apply their learning to the local bay habitats. Adventure Zone will provide a week of fellowship, recreation, and a field trip to the Franklin Institute.

The summer staff consists of TPA alumni, and regular school-year faculty who provide quality teaching and coaching .

Please see the reverse side to register.

Big Red Summer Camp 2009
