Dear Friend,

Hebrews 13:8 “Jesus Christ the same yesterday, and today, and forever.”

It is hard to believe that spring has arrived, and the end of the school year is in sight. We praise the Lord for His blessings during this year especially the spiritual victories that have taken place in many of our students' lives. It is truly an answer to prayer when our ministry through education has an eternal impact on our students.

We praise the Lord for our students' excellent testimonies during their various activities this year. Whether it was at our Biology II class trip to Washington D.C., our regional basketball trip in Baltimore, our Sunday night choir concerts, or just shoveling snow during the recent snow storm, our students have been complimented on their behavior. Our goal for this year is to exemplify our school theme of “Learning to Love Christ... Looking to Serve Others.” We are thankful with the Lord's help we have been able to be a light to those with whom we have come into contact with.

As we are all aware, the economy is a constant concern, and a source of frustration for many. Recently during my devotions, I came across a familiar verse. Hebrews 13:8 is a clear reminder that even though many things change, our Savior and His love does not. What an encouragement to know that He knew what we would be facing, and is there for us when we are in need.

In recent months, many of you have asked about any financial needs that may be on the radar here at Pilgrim. There are two areas that would be beneficial to the ministry here at Pilgrim. The first area is the general gift fund that helps to support the school in many different ways. The second area in need of increased financial support is our scholarship fund. This fund allows us to continue to assist our families with financial aid during this difficult time. Our families have made a commitment to Christian education, and our goal is to support them in every way we can. Whether you are able to give at this time or not, I encourage you to remember our ministry in prayer. We understand finances are a part of any ministry, but also clearly realize it is truly the prayer support that we can not do without.

Below is a list of the upcoming events that we would love to see you attend.
