6<sup>th</sup> grade

### Favorite Things

I have a lot of favorite things

Like dogs that bark and bells that ring

Playing outside, shopping for shoes

Riding my bike and looking for clues

I like many types of food

Chinese food...Oh, yes, I do!

Chicken, rice corn and cabbage

All wrapped up in paper baggage.

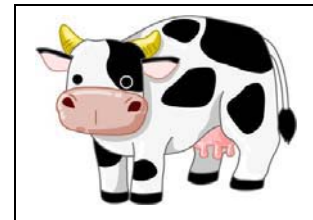

Other things that I really like

Are cheering, clothes, and Mike N' Ikes

I like computers and cows that say moo

Jump rope, parks , and T.V., too.

As you can see, I like many things

I even like those Chinese tings,

The dolphins at Sea World are like, Wow!

But it's time to say, "Chow" for now.
