

## Welcome to the Third Grade!

Dear Parents/ Guardians,

Welcome to the exciting world of the third grade! I feel privileged that the Lord has led you and your child to my classroom this year. It is my prayer that I will be a "fit vessel in the Master's hands" as I teach your child. With God's help, I will seek to give your child the best third grade experience possible.

You are your child's greatest teacher. I pray that, with God, you and I can be used as a team to mold and shape your child into a young boy or girl who knows God and lives to please Him.

I am here in service to God; therefore, I am here to serve you. And, I am pleased to serve. There is so much joy in serving Jesus! Each year, God has given me so many blessings! I look forward to being blessed by building a relationship with you, your family, and your child this year!

If you have questions or concerns, please feel free to contact me even before school begins. With prayer and communication we can have a successful year.

Please pray for me as I prepare for this coming school year. Please ask the Lord to give me His strength to work hard, diligence to be well prepared, wisdom in handling situations, sensitivity to the Holy Spirit's leading, and excitement for the days ahead. I thank you, in advance, for your prayers.

I look forward to meeting you and your child soon!

Sincerely,

*Miss Layton*
