

Leaving early? Working late?
TPA can help!

Pioneer Care: Before and After School is now available for the 2009-2010 school year.

We recognize that work schedules do not always coincide with your child's school schedule. Students will now have the opportunity to come to school early or stay late. Our goal is to provide students with a safe, nurturing environment in which to complete homework, play with friends and have a snack until it's time to go home.

For more details about our new program see the reverse side.
