- ◆ Sneakers - with light-colored soles. These will be used daily for recess and for gym. (Dark colored soles are not permitted in the gymnasium as they may leave marks on the floor.)

- ◆ Folder - 1 folder for take home papers

NO pencil sharpeners. They become a distraction to the class when dropped on the floor and then class time is wasted while the mess is being cleaned up.

Please put your child's name or initials on everything. This includes sweaters, jackets, coats, etc.

Thank you again for your help in making second grade a wonderful experience for your child.
