NOTE: Buses will most likely be running a little late the first week of school. Even so, it is important that you be at your stop at least 5 minutes before your scheduled pick-up time. If your stop is in front of your home, you still need to be **OUTSIDE** waiting.

REMEMBER: If your child needs to be a “walker” on a certain day and you have not indicated this above, you must send in a note in order for us not to put your child on the bus. This is especially important for the first week of school!

For students who are riding the bus: There will be NO stop changes the first full week of school unless it is an absolute emergency. (Setting up a child care stop is not considered an emergency nor s having a stop a couple of blocks from your home.)
