

THE PILGRIM ACADEMY NEW STUDENT ENROLLMENT CONTRACT FOR 2019-20
(Grades K–12)
(June – March/May Tuition Payments)

Explanation

In order to ensure a stable, well-managed school for your child, The Pilgrim Academy has adopted this enrollment contract. When parents decide to send their child to The Pilgrim Academy, it is assumed to be for one school year, and the family is thus theoretically responsible for a full year of tuition, regardless of the student's withdrawal, non-attendance, or expulsion. Case law supports this position, as the courts have acknowledged that schools are entitled to ensure that neither their programs nor the pool of potential applicants is subject to the whims of last minute withdrawals. Legal experts say private schools merit this protection because they must make commitments to employ teachers and purchase equipment on an annual basis, contingent on commitments made by those who have contracted for the services. Moreover, private schools have limited spaces available, and reserving space for one student may prevent another's acceptance. By the time the vacancy occurs, the second candidate may have already committed to a school with a more stringent contract.

Instructions

Both parents, guardians or other persons responsible for payment should read all the provisions of this Contract, complete the required information, sign and return the Contract to the office. A student cannot be accepted for admission until the Contract has been delivered to the school, countersigned, and dated. A copy of the accepted Contract will be returned. No amendment to this Contract and no alteration to the printed terms hereof will be effective without the express written approval of the school's Board of Trustees.

Terms of Contract

In consideration of the acceptance of this Contract by the school, the undersigned agrees to pay the required total tuition for the full academic year and any additional fees incurred and agrees to be bound by the provisions of this Contract. Please check one of the following methods of payment:

11. **When a bill is delinquent more than thirty days, the child must stay home until the bill is made current.**
12. The school reserves the right to use a collection agency to collect unpaid tuition and fees.
13. This Contract is construed under the laws of the State of New Jersey. This Contract is the full document and constitutes the only agreement between the family and the school, superseding any prior agreement, written or oral.

I have reviewed all pages of this contract, both front and back, and agree to abide by the provisions of the contract and all materials incorporated into it. **(Both parents should sign, even if divorced or separated.)**
