If the application for my child is accepted, I promise to abide by the regulations and fulfill my responsibilities to the Academy. I realize that my responsibilities include meeting my financial obligations on time, helping my children with homework, and giving financial gifts when possible. If I become dissatisfied with the school in any respect, I will seek to resolve the matter by taking it up with the teachers and Headmaster, **rather than by spreading gossip and criticism**. I also promise to faithfully support the discipline and academic standards of the Academy. Finally, I realize that attendance at the Academy is a privilege and not a right, which may be forfeited by any student who does not conform to the standards and regulations of the Academy. I realize that the Academy may request the withdrawal of any family at any time who, in the opinion of the Academy, does not fit into the spirit of the institution, regardless of whether they conform to the specific rules of the Academy.
